

Merton Hall Road, Wimbledon

## **Accessibility**

### Entry:

Step free entry is available to all buildings excluding the two storey porta cabin used by Costume.

### Circulation and Access restrictions:

Although lift access is provided to all floors in the main building the sound proof studio on the second floor is not accessible via the lift.

No lifts are available in the houses one, two or number 49 to access the offices on the upper floors.

Lift access is provided to all floors in the theatre building.

### Egress from the building in an emergency:

No fire evacuation lifts are provided in the College. Therefore lifts will not be available for use in the event of a fire alarm activation.

Please contact us in advance if you would require assistance to leave in an emergency. Advanced contact will help to ensure that an emergency evacuation plan is in place for your safe egress from the building before your visit.

### Special Facilities:

Evac Chair – Please contact staff in advance of your visit if you would require use of an Evac Chair.

Vibrating Pagers - Please contact staff in advance of your visit if you have a hearing impairment and would require use of a vibrating pager.

Disabled car parking – please contact staff in advance of your visit to book a space.

Wheelchair accessible unisex toilets are provided:

- Ground floor of main building.
- Canteen.
- Ground floor of theatre building.
